PARKING AT BWFA

Spaces marked **“RESERVED Restaurant and Retail Patrons Only”** on the entry level of the garage (Level 2) are reserved for BWFA clients and guests. Visitors may also park in any unmarked space. The BWFA office is just past the lobby in the building adjacent to the garage.

When you arrive at the BWFA office you will see an open-air parking lot. While parking in this lot is permitted, BWFA guests are encouraged to use the reserved spaces in the parking garage for the closest and most direct access to the office entrance.

Note: Getting to BWFA may take a little extra time on days when there are events at Merriweather Post Pavilion (MPP). MPP blocks many roads in and out of the area. If you let the parking attendants know that you are coming to our office they should let you through. The best road to enter on concert days is Grantchester Way (see above).
